## Tender for Supply & Installation of Flex material for Signage at Various Branches & Offices of Regional Office Kanpur Dehat

### Replies to Pre-bid Queries

Query	Reply
Your tender requires UV printing, but you have not mentioned the UV printer model or ink supplier, whereas you have specified company names for flex and lamination materials. You have also not clarified details regarding the 5-year warranty certificate.	5-year warranty specific conditions are mentioned in notice for inviting tender document "RFP" are mention on page no.22. The condition in which this generally will cover yellowing / greying of flex, plasticizer migration, wicking of flex, fungus or mildew formation, fading, shrinkage, cracking, and crazing. The warranty should be applicable for all Indian weather and dust conditions without any sub clauses for high Traffic areas / high Pollution areas / high temperature areas.
There are 65 tenders to be processed within 21 days in all your regions. How is it possible for any company, even UP-based, to physically submit the EMD cheque of ₹20,000 to every region?	The EMD requirements are mentioned in Table-A of the tender document. The EMD must be submitted in the form of a Demand Draft or Banker's Cheque and is required to be enclosed with the tender documents in physical form as per standard procurement procedures.

The tender will continue as per the established terms, conditions, and procurement guidelines.
